

Choose a Classic Collection Storm Door for all the right reasons.

Why Buy a Classic Collection Storm Door?

Larson builds craftsmanship into every detail of each Classic Collection Storm Door. Inside and out, Classic Collection doors combine the best qualities of remarkably durable construction and exceptional fit and finish. When you buy a Classic Collection Storm Door, you're getting an addition to your home that's as durable as it is good looking. And it's been that way for more than 50 years.

Lifetime Warranty.

Larson stands behind their doors with one of the best warranty programs available. Many Classic Collection Storm Doors are backed by a Limited Lifetime Warranty. It's just what you expect from Larson, America's #1 Selling Storm Door.

Independent Laboratory Testing.

For over 50 years, Larson Manufacturing has been producing storm doors and windows of unrivaled quality and durability. Larson remains the leading storm door manufacturer in the nation through innovation and a comprehensive line of superior products.

Using the latest technology, Larson continually improves its manufacturing process and designs. Each Larson door is built under exact specifications and examined for the Larson standard of quality.

Aesthetics: Hides in low-profile cassette when not in use.

Size: 39" x 84" single door unit. 84" x 84" double door unit.

How to measure for a storm door.

With Larson's three easy steps, measuring for your new storm door is as simple as the installation.

1. Measure A, B, C widths from the exterior brick mold trim of home as shown to the right. Measure D height from the exterior brick mold trim to the sill.
2. Write your measurements down in the space provided below.
3. Bring your measurements to your local Classic Collection Dealer.

Measurements:

A. _____ (width)

B. _____ (width)

C. _____ (width)

D. _____ (height)

NOTE: A 1" x 1" deep mounting surface is needed to properly install a Larson Storm Door.

| Standard Door Sizes | Minimum Width | Maximum Width | Minimum Height | Maximum Height |
|---------------------|---------------|---------------|----------------|----------------|
| 32" x 81" | 31-7/8" | 32-3/8" | 80" | 81" |
| 36" x 81" | 35-7/8" | 36-3/8" | 80" | 81" |

Larson offers standard door opening sizes for 32 in. and 36 in. openings, as well as custom fit sizes for larger and smaller openings. Availability of standard sizes vary by model.

A guarantee for your satisfaction.

Many Larson storm doors are covered by a Limited Lifetime Warranty. It's just what you'd expect from Larson: the best storm door warranty program available.

| Door Series | Warranty Information |
|---|---|
| Premium Full View Decorative Premium Full View Standard Full View EasyVent Retractable |  During the life of the door, Larson Manufacturing will warranty all manufacturer's defects. A nominal processing fee may apply. |
| ScreenAway Mid View Multi-Vent High View |  During the first 20 years, Larson Manufacturing will warranty all manufacturer's defects. A nominal processing fee may apply. After 20 years, the consumer is responsible for shipping and handling costs. |
| Colonial Multi-Vent Mid View Multi-Vent |  During the first 10 years, Larson Manufacturing will warranty all manufacturer's defects. A nominal processing fee may apply. After 10 years, the consumer is responsible for shipping and handling costs. |
| Self-Storing Vinyl Clad |  During the first two years, Larson Manufacturing will warranty all manufacturer's defects. A nominal processing fee may apply. After two years until the end of the fifth year, the consumer is responsible for shipping and handling costs. |
| Exceptions | |
| Hardware | Hardware warranty is one year, covering workmanship and mechanical parts. Brass is like fine silver; it needs occasional maintenance. To maintain your brass finish, see the "General Care and Maintenance" section of the installation instructions. |
| Retractable Screen | Retractable screen warranty is one year, covering workmanship, mechanical parts and factory defects. Does not include torn screen. |

Storm Door Warranty Limitations:

- Modification of door will void warranty.
- Screen/glass damage or breakage is not covered under warranty.
- Wind damage is not covered under warranty.
- Warranty applies to original homeowners of owner occupied residential properties and covers manufacturer's defects.
- Limitations may apply to individual components per door model.
- Labor cost, reinstallation fees are not covered by warranty.

In order to obtain warranty replacements, proof of purchase is required. Customers should contact Larson's customer service hotline at 1-888-483-3768 or visit their web site at www.larsondoors.com. Please have registration available.
